GIVING INFORMATION

TMS GALA:
The community at The Montessori School of Winston-Salem (TMS) is pleased to invite you to be a part of our Biennial Gala fundraiser and celebration of our 45th Anniversary! It is a joyous evening together as a community while raising important funds for our school. Included in the evening events are dinner, music, dancing; as well as raffle drawings, silent and live auctions and an exciting program to showcase this year’s Montessori inspired theme “Education for Peace.” On Friday, May 3, 2019, TMS will host the #tmsgala19 at The Millennium Center in downtown Winston-Salem for approximately 300 adults who are not only TMS parents, but includes many prominent business and community leaders. You may visit our event website at https://tmsgala19.givesmart.com.

TMS HISTORY:
In 1973, a few insightful parents of the Triad community inspired by Dr. Maria Montessori’s vision for education came together to form the Forsyth Montessori School. Now 45 years since that first inspiration, The Montessori School of Winston-Salem serves over 200 students and has a legacy of supporting families in the greater Winston-Salem area by educating students from 18 months old to 13 years old—with the most recent launch of our brand new North Campus, home to our 7th - 9th grade Adolescent Program. From our talented and dedicated faculty and staff to our beautiful classrooms and outdoor spaces, completed with strong partnerships with our families, we are a school designed in every detail to meet the needs of the whole child. Today, together with the support of our valued families/community, we continue to hold fast to the mission to provide an authentic Montessori education that nurtures a lifelong love of learning and a passion for excellence.

TMS MISSION:
Our mission is to provide a nurturing and secure environment which promotes the development of each child physically, emotionally, socially, as well as academically. We strive for a well-rounded education grounded in Montessori philosophy and teaching methods, which will develop and foster the natural curiosity of each child into a lifelong love of learning and a passion for excellence. We promote the development of a global perspective and a commitment to giving back to the community through service to others.

TMS GIVING:
We ask for your help in giving to this very special, important and worthwhile event with an advertising, donation or sponsorship opportunity. The enclosed materials provide details about these gift levels and we welcome any raffle or auction items. Our fundraiser will not be successful without generous community partners who understand the importance of quality education. The Montessori Children’s Center, Inc. is a 501(c)3 non-profit organization (School Tax ID# 56-1336266) and your contribution may be tax deductible to the extent permitted by law. All proceeds from the Gala will be put towards our TMSfund, which maintains and enriches the quality of our program and fulfilling our commitment to educational excellence. We look forward to working with our community members to help promote their involvement in the Gala and build relationships that we hope can persist well into the future. Working together, we will accomplish great things for our children and their education. Thank you for your time, consideration, and support. "An education capable of saving humanity is no small undertaking; it involves the spiritual development of man, the enhancement of his value as an individual, and the preparation of young people to understand the times in which they live."
